Case Study 1:

(Software) How I Turned \$5,000 Ad Spend Into \$50,000 Revenue - \$167 Value

AdsCrisp is my video ads Software that generated a revenue of \$250,000 in the first 7 days of its launch.

There was a specific Facebook™ ads plan that I implemented to make the opening of this launch a Blockbuster.

You will get to discover the exact plan inside this case study.

Case Study 2:

(eCom) \$150,000 Revenue & 1,000% Daily ROI Case Study - \$147 Value

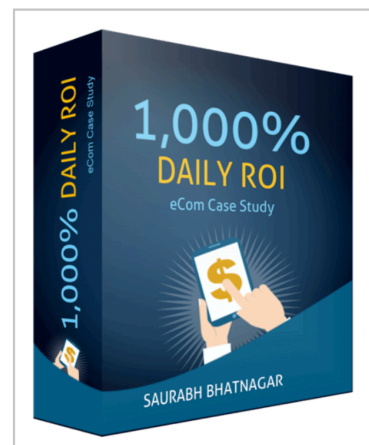

I started my online journey with an eCom client before I started creating my own products.

I was able to generate 1,000% Daily ROI for them.

Overall we spent \$15,000 & we generated \$150,000.

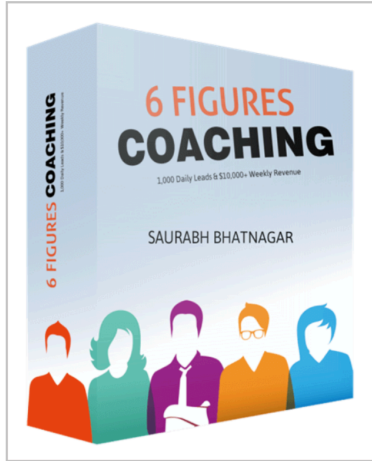

I discovered a special advertisement design from a "Chinese website" that I implemented & it turned out to be a huge winner.

Plus more settings that you will see inside this case study...
