

THANK YOU FOR YOUR PURCHASE

1. You can find the Canva template links in the following pages!

2. The link forwards you to Canva and asks you to create a free account in case you have no account set-up yet. All template contents (pictures, fonts) are available in the free version. There is no need for the pro account.

\*Canva occasionally updates its policies, which may result in Free elements becoming Pro elements. If you come across Pro elements in the templates, you can effortlessly switch to free ones. Alternatively, feel free to inform me, and I can assist you in making the changes.

3. The template is now copied into your account and can be easily edited in the Canva mobile and web version. All changes are saved automatically in the tool.
