INSTRUCTIONS

Learn How To Use The Templates

STEP 1

When you open the templates via this PDF, You will be asked to Log In to your Canva account or Create a new one for FREE.

STEP 2

After clicking "Use Template" & logging in, a copy is automatically created into your Canva account. Your templates are now ready to edit.

STEP 3

Let's keep it simple and watch the video here

[Click Here](#)

TIP: Try to access the templates using a desktop/ laptop, and avoid using a cellphone for a better experience.
