### Module 1: The Basics

#### Objective & Target Audience

- Define Your Objective: Clarify what you want to achieve on LinkedIn.
- Identify Your Target Audience: For lead generation, focus on having a lead page instead of a company page. Answer yourself these three key questions for clarification: Who do you help? What do you help them achieve? How do you do that?

#### Steps to Glory on LinkedIn

- 5K to 30K Followers: Mix of 30-50% TG and active users.
- Beyond 30K Followers: Continue engaging and refining your audience.

### Module 2: Profile Optimization

#### Three Factors:

- Searchable: Optimize name, title, location, experience, shared connections, and endorsements.
- Clickable: Use a compelling cover picture that reflects your credibility.
