Step 1: Make a ChatGPT Account

If you already have a ChatGPT account, then good. Otherwise, follow the steps below to create a ChatGPT account:

- Go to google and search “chatgpt”. Then, open the link <https://chatgpt.com/> or you can simply [click here](#). You can also install the ChatGPT app on your mobile.

- Then, click the “Sign up” button on the top right of the ChatGPT website and create your ChatGPT account.

- Once the account is created, the following screen will open. The area highlighted in red is the prompt area. In this area, you have to paste your prompts.

Step 1: Make a ChatGPT Account

- In the image above, you can see step 1 and step 2. You will have to complete the steps in the image to make the prompt work. This page and the entire conversation on this page is called chat.
- For every new report, you will have to start a new chat. To start a new chat, click the pencil icon highlighted on the top left of the ChatGPT website.

Step 2: Make ChatGPT Ready to Create a Numerology Report

- In this step, we have to make ChatGPT ready to create a Numerology report. This step is most important and if you skip this step, your Numerology report will not be accurate and may have errors as well. So, to create a correct and detailed Numerology report, you will have to enter the prompt that we are going to provide next.
- Before entering this prompt, make sure that you are in the new chat which means a blank page. I have explained it properly in Step 1 (Make a ChatGPT Account).
- Now, you have to copy the prompt in bold below:

Act as a professional numerologist with 15+ years of experience, known for delivering highly accurate and insightful readings. Provide detailed and personalized numerology insights based on the provided name, date of birth, and other relevant information. When interpreting, explain the significance of Life Path Numbers, Expression Numbers, Soul Urge Numbers, and any other key numerology numbers. Use simple, easy-to-understand language, and offer practical advice that reflects your deep knowledge in numerology. Ensure the reading includes not only predictions but also guidance on how the person can use these insights for personal growth and decision-making. Be specific in your analysis and consider both emotional and logical aspects of the individual's life. Have you got it? Next I am going to provide you 18 points that you have to cover in our detailed 5 year personalized Numerology report. Are you ready?

- After copying the prompt in bold above, paste it into the prompt area and hit enter. I have explained it properly in Step 1 (Make a ChatGPT Account).
- Now, ChatGPT will give you a reply, something like this:

“Yes, I'm ready! Please share the 18 points you want me to cover in the detailed 5-Year Personalized Numerology Report.”

Step 3: Explain to ChatGPT the Points to be Covered in the Numerology Report

- Now, in the same chat in which you entered the prompt in Step 2, Click the link and copy the prompt: [Click Here to Copy Prompt](#)
- After copying the prompt from the link above, paste it into the prompt area and hit enter. I have explained it properly in Step 1 (Make a ChatGPT Account).
- Now, ChatGPT will give you a reply, something like this:

“Got it! I'm fully prepared to create the detailed and personalized numerology report based on the 18 points you provided. Once you share the client's name and date of birth, I'll dive into each of the areas you've outlined, providing rich insights and actionable guidance.

Let me know when you're ready to start!
”

Step 4: Explain to ChatGPT the format and Language in the Numerology Report

- Now, in the same chat in which you entered the prompt in Step 3. Enter the prompt below:

Now, you have to start creating report. But remember, you don't have to cover all the 18 points at once. I will provide you the name and date of the customer. Just cover 1st point only. Once you are done with the first point, then I will type next, you then have to cover the next point. Remember whenever I type next and the point you are covering, just put the number of that point, so that customer understand which point we are covering. If after 18th point, I type next any number of times. Just tell that the report is now complete and tell them in a easy language. Also, the language of report must be easy and in 2nd person. The language of report will be [Please Enter Report Language]. Next I will provide you the name and date of birth of the customer. Are you ready?

- Replace **[Please Enter Report Language]** in the prompt with the language in which you want the report such as English, Hindi, Gujarati, Tamil, Telugu, Marathi, Kannada etc. It will look like this:

Now, you have to start creating report. But remember, you don't have to cover all the 18 points at once. I will provide you the name and date of the customer. Just cover 1st point only. Once you are done with the first point, then I will type next, you then have to cover the next point. Remember whenever I type next and the point you are covering, just put the number of that point, so that customer understand which point we are covering. Also, the language report must be easy and in 2nd person. The language of report will be Punjabi. Next I will provide you the name and date of birth of the customer. Are you ready?

Yes, I'm ready! Once you provide the name and date of birth of the customer, I'll start with the first point in Punjabi. Let me know when you're ready to begin!

- In the screenshot above, check the portion highlighted in red, we have Punjabi as the language, as we want the Numerology report in Punjabi.

Step 5: Enter Full Name and Date of Birth for Numerology Report (Last Step)

- Now, in the same chat in which you entered the prompt in Step 4. Enter the prompt below:

The Full Name of the customer is [Please Enter Full Name] and the date of birth is [dd-mm-yyyy]

- Replace **[Please Enter Full Name]** with your Full Name and **[dd-mm-yyyy]** with your date of birth. It will look like this:

The Full Name of the customer is Sanjay Verma and date of birth is 27-05-1992.

- It will start generating the 1st point of your report. I am providing a screenshot of a portion of the 1st point below. It will look something like this:

Memory updated

Let's start with the first point of the report.

1. Personal Year Analysis (for 5 years)

Sanjay, your next five years, starting from 2025, will be shaped by your Personal Year numbers. This is based on your birth date, and each year brings different energies and opportunities. By understanding these, you can make the most of each year and navigate challenges effectively.

2025 – Personal Year 6: Focus on Relationships and Responsibility 2025 is all about home, family, and relationships. You may feel a strong pull towards creating harmony in your personal life. This is a year where you may face responsibilities, but they will help you grow emotionally. If you're in a relationship, this is the perfect time to strengthen your bond or even take things to the next level. If you're single, love could find you this year. It's also a good year for improving your living environment—perhaps a home renovation or even a move.

- This report has a total of 18 points. But, this step will create the 1st point. So, before proceeding to the next point. Read the 1st point carefully, it will give you a Personal Year Analysis (for 5 years). Not only 1st point, every point of this report will tell you something important about you or the person whose report you are creating.

Step 5: Enter Full Name and Date of Birth for Numerology Report (Last Step)

- Now, we have to create the 2nd point. For this, simply enter “**Next**” in the same chat. It will start generating the 2nd point of your report. I am providing a screenshot of a portion of the 2nd point below. It will look something like this:

- Read the 2nd point carefully and enter “**Next**” in the same chat. It will create the 3rd point. Every time you enter “**Next**”. It will create the next point of the previous point.
- It will create one point at a time, whenever you type “**Next**”. It ensures that every point is detailed. So, before proceeding to next point, read the previous point carefully.
- This way you have to enter “**Next**” in the same chat up to point 18, which completes your report. If after point 18, you type “**Next**”, you will receive a message that “The report is now complete!”. it will look something like this:

Special Bonus #1: Done-for-You Numerology Report Templates

- First of all, you should have a free Canva account.
