Nandini Jambudkar

SOCIAL MEDIA MANAGER FOR BUSY ENTREPRENEURS

Founder of Digi Curves

About Me

I help businesses build their social presence, engage with their target audience, and drive more awareness and sales from social media.

I have worked on **10+ projects** across a variety of industries.

I am passionate about doing extensive research and becoming an expert on your specific product or service. This helps me understand what your current situation looks like and by that develops creative ways to boost your growth.

There are **four steps** to adequately advertising any business on social media: **Originality -Authority -Trust -Relevance.**

Please link me to a **one-on-one call.**

Benefits of Working with Nandini

My excitement makes me Ideal.

Managing social media accounts can be time-consuming, and I can take care of the day-to-day tasks, such as posting content, responding to messages, and monitoring analytics.

This frees up your time to focus on other aspects of your business.

I can ensure your social media accounts are consistently active, engaging, and on-brand.

I can bring a fresh perspective and creative ideas to your social accounts.

How I Can Help You?

I offer the services listed below.

Profile Optimization - Accurate, Complete, Active, Links to Website and has CTA

So That It Ranks Higher in the Instagram search results & suggested content feeds.

Posting - Useful, Entertaining, Relevant Post, Photos, Video, Lives, Stories
Allows You to stay connected because you are consistently showing up
