About me

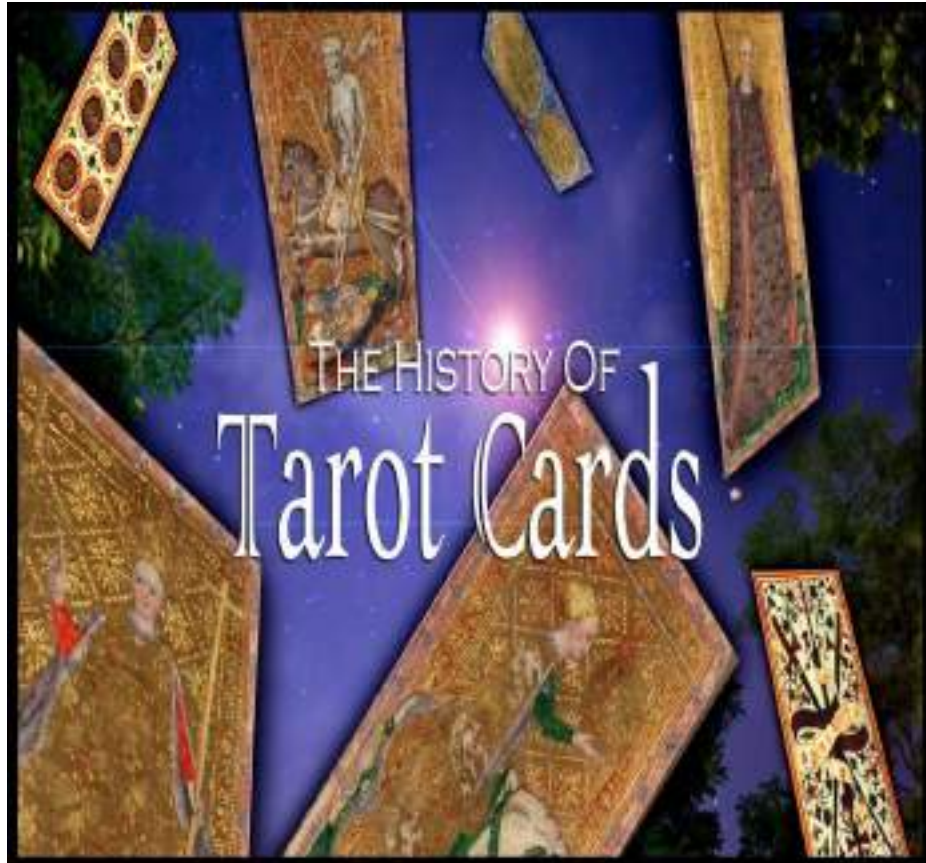

Akshata started her career from Hospitality industry as a Pastry Chef. Working with a glamorous industry of hospitality tarot was no where for her. But it is said things take a right turn at right time. In the year 2017, she was drawn to Tarot Readings and the journey started to begin. She never thought one day it would change her life in such a mesmerising way. Here Mentor always said to her she's been blessed with the Physic Energy and she should work with them. But as the part of hospitality it was not possible for here. And then after few years 2020 was the complete turning point. she started to learn the Tarot Reading from different mentors. And from that day the New Journey started. In here journey she has helped lot of people achieve their success, gain clarity and find the purpose of life. She's know for here tarot readings , rituals & remedies among here clients.

My Mission

I am on a mission to help each individual become Emotionally & Financially independent with the power of Tarot Card Reading and create the life of your dreams.

History of Tarot Cards.

- ▶ The Tarot is a deck of 78 cards, each with its own image & story. It is further divided in 22 Major Arcana cards and the 56 Minor Arcana cards.
- ▶ Some may say that Tarot cards are simply ink on paper. However, what I have discovered from reading the Tarot cards daily for over the years is this..!!
- ▶ Tarot is the storybook of our life, the mirror to our soul, and the key to our inner wisdom.

So what is Tarot?
